→ This table shows the top 10 entertainers of all time. It shows the total number of awards including total nominees, total Oscar awards, total Emmy awards, total Grammy awards.
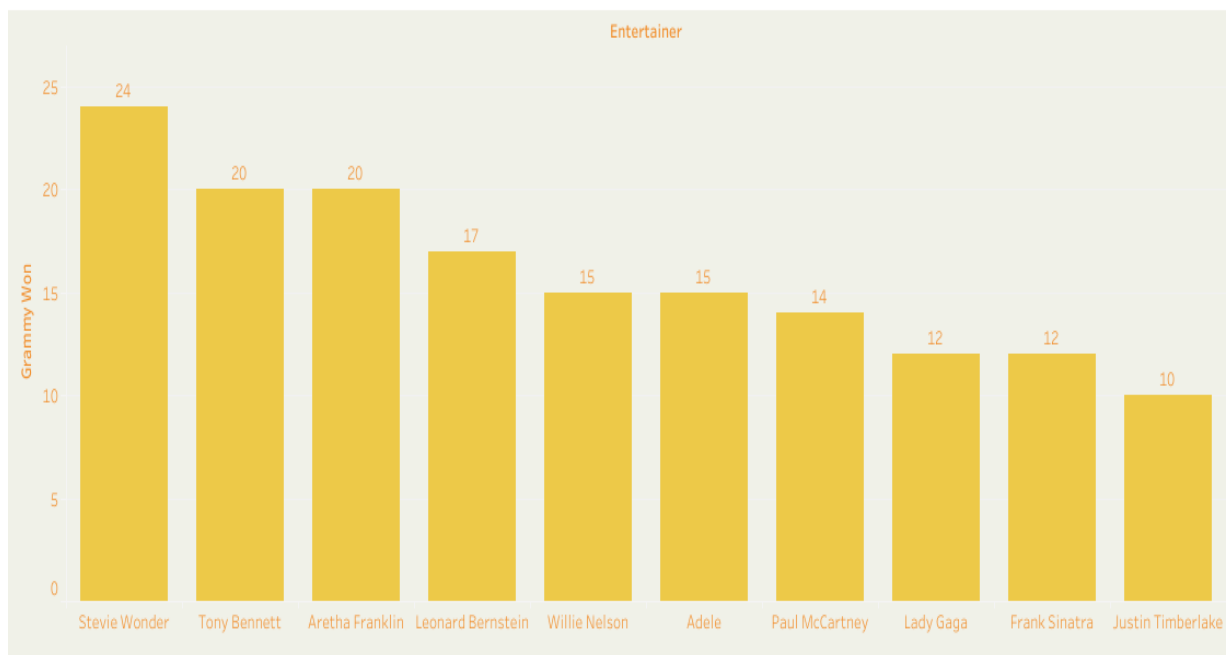

→ This stack bar shows the top nominees and awards achieved by entertainers. I keep only top 10 entertainers for good visual aspects. Right side block shows the number of nominees and Left side block shows the number of awards won by entertainers.

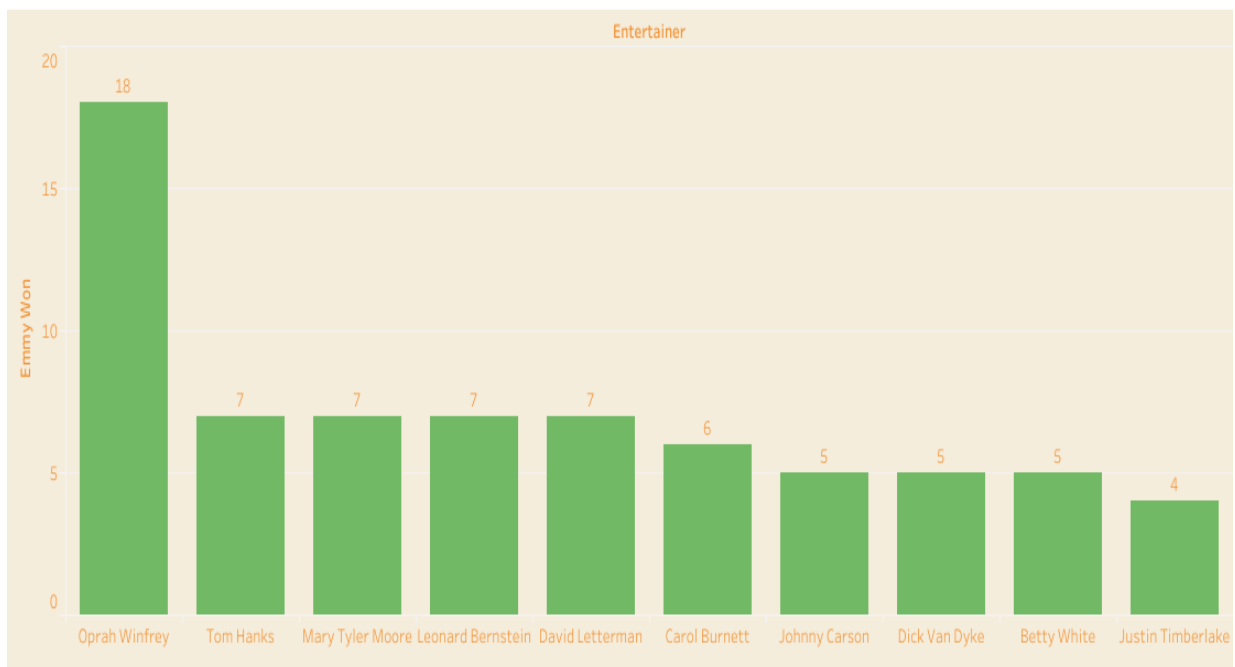

→ This chart shows the Oscar winning performers with the most number of times. Winning the Oscar is not everyone's cup of tea. Here, Katherine Hepburn leads the tally with four Oscars. Oscar is given to the actors generally, it is given to the pop stars, some excellent musicians as well.
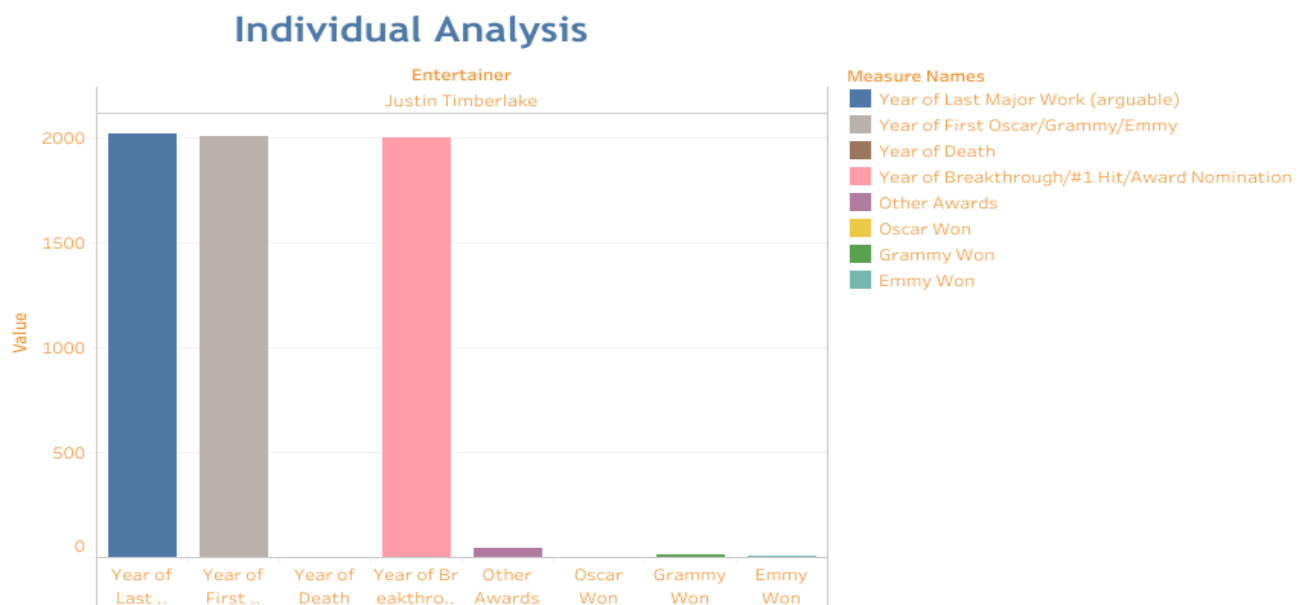

Most Grammies won

→ Grammy award is given for the excellent performance in music industry. It is given in different categories to the artists. Here, Stevie Wonder is leading with highest Grammy awards (24).
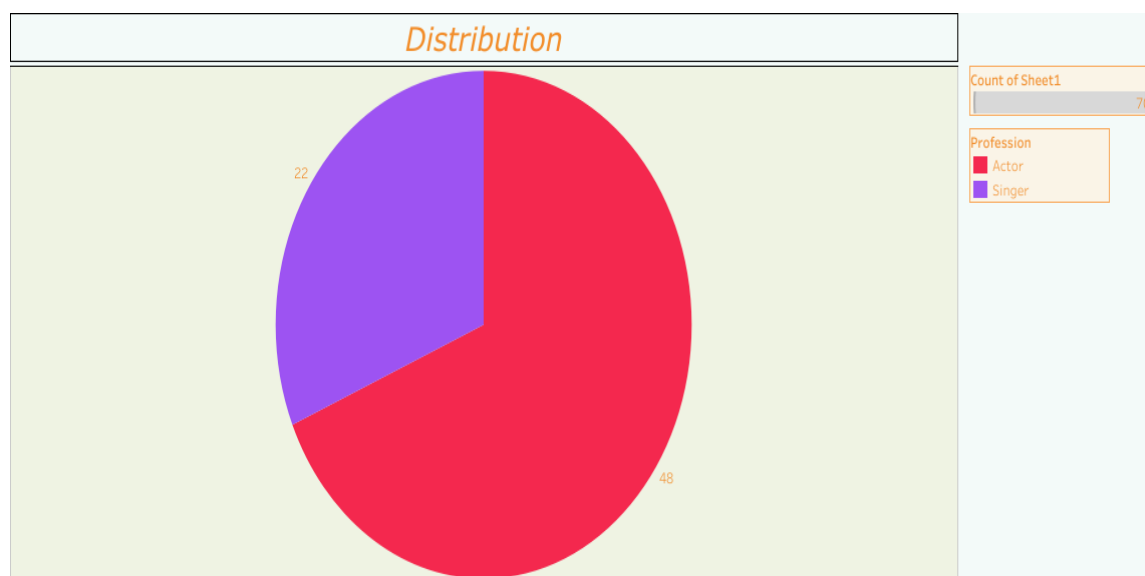

Most Emmies won

→ Emmy award is given to the best performance of TV industries. Hosts, TV actors, pop stars are nominee for Emmy award. Here, Orpah Winfrey is leading with highest number of Emmy awards (18).

Individual Analysis

→ This side bar shows the individual performance of every entertainer. I have set one filter on entertainer on which you have to select your favourite entertainer, it will show the performance throughout of that entertainer in terms of number of award he/she won. Along with their year of Breakthrough, year of first award, year of last major work, year of Death.

→ This pie chart shows the categories of the entertainers. Here, there are two main categories **Actors** and **Singers**. Pop stars, stage performers, dancers etc. are included in singers, meanwhile TV hosts; TV actors are included in actors.
